

REMARKS

Sequence Listing pages 1-2, submitted herewith containing sequences 1 through 5 formatted in accordance with PatentIn, are provided. This sequence listing supersedes all previous sequence listings. The new Sequence Listing raises no issue of new matter as it merely represents sequences originally set forth in the application.

The claims have been amended to include reference to SEQ ID NOs. The amendments to the claims raise no issue of new matter as they merely refer to sequences originally set forth in the application.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,
